## Report For Product Analysis

HK/QR-QW-XJC-05-01

产品名称: ph&Chlorine test strip (0-20 mg/L,CL2, 1-12pH) 产品批号: 3020281

Name of Product

Batch of Product

生产日期: 2023.10.26

报告日期: 2023.10.27

Date of Production

Date for Reporting

检验依据: Q/HKS03003

到期日: 2025.10.26

Standard Applied

Date of Expiry

### Results of Analysis

Analysis Item	Quality Indexes	Analysis Result
Appearance	White or light yellow	White
Reaction speed	Complete color rendering within 15 seconds	Qualified
Stability	The color remains basically unchanged within 10 seconds	Qualified
Color uniformity	The color is uniform, and no obvious dark spots	Qualified
Rendering accuracy	No significant difference compare to colorimetric card	Qualified
Conclusion of Analysis:		Qualified
